

Fremont Elementary School – RtI – Preparation for Initial Study

(Academic Positive Behavioral Support)

Student:

Date:

DOB:

Grade:

Referring Teacher:

INITIAL STUDY

Preparation: It is expected that:

- the student is listed on the grade level “standard protocol” list compiled and discussed at grade level collaboration meetings
- best practices of universal instruction have been followed in the classroom
- research-based interventions have been attempted
- parents have been consulted several times and are working as part of the team

The teacher should compile baseline data and any other critical information:

Primary Area(s) of Concern: _____

1) Intervention Given: _____ **Dates:** _____

Intensity (e.g., group size, etc.)	
Frequency (e.g., times per week)	
Duration (e.g., dates)	

Results:

+	Δ
---	---

Attach AIMS Web or similar graph showing line of intervention and resulting data points.

2) Intervention Given: _____ **Dates:** _____

Intensity (e.g., group size, etc.)	
Frequency (e.g., times per week)	
Duration (e.g., dates)	

Results:

+	Δ
---	---

Attach AIMS Web or similar graph showing line of intervention and resulting data points.
