
BOARD OF EDUCATION BYLAWS

UNEXPIRED TERM FULFILLMENT/VACANCIES

When a vacancy occurs on the Board of Education, the Board of Education is required by law to appoint a person to fill the vacancy within 60 days. Should the Board of Education not act, the president of the Board of Education makes the appointment.

At its first regular meeting following the occurrence of a vacancy, the Board of Education shall adopt a resolution declaring a director's office vacant.

The Board of Education shall fill the vacancy by an affirmative vote of a majority of a quorum of the remaining directors or by the affirmative vote of two directors if there are only two directors remaining or by the affirmative vote of the sole remaining director.

Each appointment shall be evidenced by an appropriate entry in the minutes and the delivery of a certificate of appointment to the person so appointed with a copy of the certificate forwarded to the Colorado Department of Education.

Whether the appointee serves for the remainder of the unexpired term or until the next, or the next succeeding, election depends on the number of days until the next regular biennial election and the number of years left in the unexpired term.

1. If the vacancy occurs more than 90 days prior to the next regular biennial school election and the unexpired term is for more than two years, the term of appointment is until the next election, when a successor for the remainder of the term is elected.
2. If the vacancy occurs within the 90 day period prior to a regular biennial school election and the unexpired term is for more than two years, the term of appointment is until the next *succeeding* election.
