

NEWS MEDIA SERVICES AT BOARD MEETINGS

News media representatives shall be welcome at all regular and special meetings of the Board of Education. School system representatives shall be frank and open with the news media recognizing the responsibility of the media to disseminate newsworthy information.

Meeting announcements, agendas, summaries of the minutes for each meeting and other related supporting documents shall be available to the news media.

Members of the board, the superintendent and other district officials shall be available for interview by representatives of the news media.

Adopted September 1972
