

BOARD-STAFF MEET AND CONFER PROCESS (Support Staff)

The Board of Education acknowledges the Educational Support Council and establishes the council as the channel of communication between the board and educational support personnel. The ESP Council is the federation of organizations representing the support staff and is recognized as the organization to "meet and confer" with the administration to discuss wages, benefits and other terms/conditions of employment.

The policies regarding policy adoption and policy revision and review shall apply if some other organization wishes to challenge the designation of the Educational Support Council.
