

*Home Information Survey (Middle School)*

Parents,

Please complete this survey. The information may be beneficial to your child's individual programming services in Gifted and Talented in order for us to work together.

Favorite activities outside of school:

---

---

---

How do you support your child's learning outside of school?

---

---

---

Areas of academic strength that need to be challenged:

---

---

---

What are some things about your child that may hinder his/her learning?

---

---

---

What personal growth issues are important for your child's personal development; e.g., improve working in a group?

---

---

---

At the end of the year what would you like your child to have accomplished academically?

---

---

---
