

## Are you having problems with your student's behavior at Home?

PBS (Positive Behavior Support) can help.

Hunt Elementary has seen a dramatic improvement in student's behaviors at school with the use of PBS. The dramatic change in behavior can also happen at home. Part of the PBS process is intended for use in then home building on the behavior changes that have been started at school.

If you are interested in learning how you can apply PBS in the home, reducing behaviors in the home please contact our school Social Worker  
Bill Brown at 328-2903.
