- The drama position will be a full year position.
- There has been a great response regarding intramurals: at least 20 opportunities for kids to get involved. Thank you to Gary G. and Rich L. for helping with this endeavor.
- New Gym
- Great Orientation

**Beginning of School Year:**

- Jason asked the BAAC for feedback around the first day/week of school:
  - Pictures (ID) went well: didn't have to wait very long.
  - Question about lanyards and the possibility of these being handed out at the beginning of the year-→will forward to PTA

**DAAC Report: Meeting is on 9/17/09**

**Doherty Liaison:**

- Currently working on attendance. Attendance is at 95%. Kids know to be in class. Freshmen have been paired with link crew (like Trust team). They've been doing a lot with activities. Sept 25-26 Doherty is hosting the AVID State Conference. The district was going to take the AVID program away but Doherty has had success with this program for the past 9 years (100% of AVID students have graduated with 100% going to college).

**New Staff:**

- Adam Jeffrey-8<sup>th</sup> grade math
- Danae Boyd-GT
- Michelle Mandell-6<sup>th</sup> grade L-Arts
- Liz Clark-Drama
- Brittany Naujok-6<sup>th</sup> grade math
- Chris Krueger-7<sup>th</sup> Sped.
- Lori Koeser-Choir
- Officer Davis (SRO)

There was a question about turnover with a group of 6<sup>th</sup> grade teachers being new. Last year there were 10 6<sup>th</sup> grade teachers and this year we've added 2 additional. Both new teachers have 10+ years of experience.

--the open 6<sup>th</sup> grade position will post tomorrow.

**CSAP Results:**

- Overall, we gained +21 over last year's scores, mostly in 7<sup>th</sup> grade reading, writing, and math. We had the highest composite score in the district in the district.
- This year they will no longer have the SAR report in lieu of the Colorado Growth Model. This model will be explained in further detail next month.

**MAPS Testing:**

- Takes 3 weeks to get through **the Fall testing. Tests will also be taken in the Winter and Spring, then** the focus is on kids who are not showing growth. Fall schedule: Sept. 14-17,(6<sup>th</sup> and 7<sup>th</sup> grade) 21-25, (7-8<sup>th</sup> grade).

**New RtI format → next month's agenda****SIP**

- Jason shared the SIP with the team. It will be posted to the website.
