What is the Colorado Open Records Act (CORA)?

The Colorado Open Records Act (CORA) allows most public records of a given public agency to be reviewed by any person within a reasonable amount of time. CORA is codified in the Colorado Revised Statutes (C.R.S. 24-72-200.1 through 24-72-206). Any person can submit a CORA request for public records in the possession of Colorado Springs School District 11.

What is a record?

The Colorado Revised Statutes, C.R.S. 24-80-101(2), defines a record as: "all books, papers, maps, photographs, or other documentary materials, regardless of physical form or characteristics, made or received by any governmental agency in pursuance of law or in connection with the transaction of public business and preserved or appropriate for preservation by the agency or its legitimate successor as evidence of the organization, functions, policies, decisions, procedures, operations, or other activities of the government or because of the value of the official governmental data contained therein".
