**\*\*All girls must download on their phone the CHSAA app-All Rules are explained for the season!**

1. Girls will be on a group text with information by the week. If the weather is poor, we will make a decision about practice by noon that day.
2. Practices will be M-Th 3:15-5pm weather and match dependent. This schedule will change once school is out—we may have some morning practices. If varsity has a match that day, JV will practice at the designated time.
3. Five girls will qualify for varsity—with #5 each week, practicing with JV when she’s not at a varsity match.
4. Parents that drive girls to practice must stay in their cars at KC. Per CHS golf team and KC rules, no extra people are allowed at practice.
5. **Golf attire required:** Girls must wear appropriate golf clothing to practice, or they won’t be allowed that day. Nice shorts, skirts, warm-ups, jackets and shirts. Not allowed: Visible hoodies (they can be under a nice jacket), no leggings unless covered with shorts, pants or a skirt. NO jeans, cut-offs, tank tops etc..
6. Coaches are unable to provide rides to matches or practice per district and CHSAA guidelines.
7. **Parents watching your golfer in a match:** You must stay 30 yards away or further the entire match, walk off the fairway and behind the golfers-never in their view. No phones ringing or people talking on phones if you are out watching. You are not to look for balls unless the tournament officials allow it. If parents talk to their golfer, that girl can be disqualified from the match.

**Season: April 19-June 9.**

\*JV matches may not happen this year.

\*CSML has four matches that earn points for the team and individuals for standings. Top 4 girls will play in those designated each week. We count all four toward standings, and three for individual standings.

\*Varsity will have regionals-top four girls with lowest scores in matches will play on June 9. If the team or an individual qualifies at regionals, state will be June 21-22.

**\*Team practice/season will end May 27 except for girls playing in regionals.**

**\*The remaining girls will finish June 9 except for any state qualifiers.**
