With four comprehensive high schools, one online school, two non-traditional schools, and an early college high school, Colorado Springs School District 11 gives families the most choice when it comes to high school options.

Located in the heart of Colorado Springs, D11 provides academic excellence, with rigorous curricula and instruction designed to cultivate the full potential in every student. We reward innovation and foster passion. Whether your student is interested in the arts, math, science, technology, or foreign languages, we have conveniently located school choices across the city!

Be sure to visit www.d11.org or call (719) 520-2000 for more information. For information on the choice process, please visit www.d11.org/choice or call (719) 520-2297.

High school choice programs in D11 include:
- International Baccalaureate program
- College credit while in high school offered at all comprehensive high schools
- Early college and career pathways at Odyssey ECCO (students have the ability to graduate high school with an associate’s degree and industry certification in many career pathways to be workforce ready upon graduation)
- Advanced placement, Pre-AP, and AP Capstone courses
- Nationally recognized Project Lead the Way programs
- National award-winning JROTC and Robotics programs
- Drone programs
- Biomedical programs
