

Parent Checklist

Have you...

- Picked up your district issued laptop from the school for your student.
- Updated your contact information in ParentConnect.
- Printed your student's schedule in ParentConnect for your student.
- Logged into Schoology with your student to familiarize yourselves with the platform for each class.
- Posted the daily bell schedule for classes somewhere everyone can see it.
- Set up a designated area in the house for school to take place.
- Talked about accountability and self-discipline with your student when it comes to distance learning.
- Talked about expectations and boundaries for each person trying to do school and work under the same roof.
- Made sure your student has their instrument for band/orchestra if they are enrolled in either class.

If you can answer YES to each item, you are ready for the first day of school on August 24th.
