

# **Inclement Weather Plan**

## **Closure**

This means there is no school for the day. Go out and party in the snow.

## **Remote Learning Day**

This means we will follow an abbreviated schedule and classes will take place in teachers' Webex rooms. Students can access the online classroom by going to Schoology and clicking on the Webex meeting link at the top of the teacher's page. Office hours are at the end of the Remote Learning Day in case students have questions or need support from a teacher. Teachers will be in their Webex rooms during this time.
