SAC Meeting

Welcome and Introductions –

Amanda Obringer

Lauren Molenburg

Jenny Cramer

Jamie Wright

Sarah Scott

Scott Winter

Approval of Minutes –

January minutes were read and approved

A draft of the notes will now be located on the Chipeta website under the Parent& Community link and then the SAC tab.

Teachers will be notified that the notes are there as well so that they can communicate out the information to parents.

Administration -

Updates:

Sarah is going to have her student advisory council research how to be more environmentally friendly with our lunch waste. Some options may be composting (BV is doing this)or getting a dishwasher – so metal trays could be used (Trailblazer is doing this)

Equitable Budget - continued

We reviewed the steps we completed during the January meeting.

Words that were selected that Chipeta values the most were: Interpersonal Qualities, Safety, Zeal, Risk-taking, and Learning

Based on those 5 words/phrases, value statements were created in January and we reviewed them.

The next step we worked on tonight was identifying prior activities that aligned to one or more D11 priorities:

Priority Activities we identified were:

Responsive Classroom

STEAM (Science, Technology, Engineering, Arts, and Math)

Balanced Literacy Instruction

Critical Thinking and Problem Solving

Habits of Work

We used the Graduation Profile, the D11 Strategic plan, and the given D11 priorities (MTSS, SEL, Equity, or Literacy) as what we aligned our activities to.

Theses alignments we developed were:

Priority Activities	Alignment	Details
Responsive Classroom	SEL, empowered citizens, “Healthy relationships provide mutual understanding and enhance life” (from the strategic plan)	Morning Meetings Walk to Read (teaching independence, collaboration)
STEAM (Science, Technology, Engineering, Art, Mathematics)	Healthy and Balanced Learner Innovative Problem Solvers Critical Thinker Academically Ready Learner	Science fair After school coding opportunities Engineering design with literature After – school enrichment (LEGO-mation, oceans, Ms. Terry’s classes) Maker-Space
Balanced Literacy Instruction	Academically Ready Learner Continuous Learner “Continuous learning nourishes life” (from the strategic plan) Skilled Communicator Problem Solvers Critical Thinkers	Small guided reading instruction Walk to Read Battle of the Books Projects Application of ideas, new ways to demonstrate (perspective taking, problem solving) See-Saw presentations in art All Chipeta Reads Rockin’ Reader Leaders, STAR readers Open library – check out Choice in reading (drawers)
Critical Thinking and Problem Solving		
Habits of Work	Integrity Adapting to challenges Passion for learning All Graduate Profile components (Communicator, citizens, collaboration, healthy and balanced)	Clear communication separating HOW and academic learning – teachers know the whole child
Global Awareness		Felix Unit Post Office

		Global Read Aloud Pen Pals with Japan Skyping with others around the world Send Hunger Packing Flat Connections Library check-out to build responsibility for our school community Student Advisory – developing a recycling program Student Council outreach
Performing Arts	Critical Thinking Problem Solving Healthy and Balanced Empowered – choices and repercussions of choices	Building instruments in 3 rd grade Music Programs for each grade Band/ Orchestra Choir – at school and with community events Integration of music, arts, and content
Multi-age Groupings		Buddy Day

The next step is submitting what we have completed to the district.

After that, we will complete the budget alignment and trade-offs in March.

Showcase of Learning will be Thursday, April 16th

Miscellaneous Information:

Chipeta Information Night (formerly known as Kindergarten information night) will be Thursday, February 27th 6 – 7p.m.

Next SAC meeting will be Tuesday, March 10th

Other Meeting Date is April 7th

SAC training is April 2nd

DAC meeting is February 20th
