

Queen Palmer Elementary

Dr. Michael Thomas, Superintendent

Christina Butcher, Interim Principal

Early Bird Tutoring Enrollment Form

In order to meet the needs of all our Kindergarten through Second grade students at Queen Palmer Elementary we are offering Smarty Ants and ST Math tutoring. This is a free service that Queen Palmer is offering all students whether your student is below grade level, at grade level, or above grade level in math. Tutoring will be Monday through Friday from 8:00am-8:30am and will be supervised by Mrs. Denning. At 8:30am your student will go to the auditorium for the Morning Meeting. Space is limited, we will accept the first 26 students who turn in this enrollment form. You will receive a call stating that your child has been accepted to attend tutoring. Tutoring will begin February 4th, 2019 and run through the rest of the year. **We will continue to offer Early Bird Tutoring next school year (2019-2020) as well.**

By signing this form, you are making a commitment to have your child at the school by 8:00am Monday through Friday.
