

Dear Parents/Guardians,

The Bijou School is using Schoology, an integrated learning management solution that provides course management, mobile learning, and support for system-wide communication. Schoology enables our students, parents and teachers to engage with learning materials. We look forward to using Schoology for classes beginning on August 24, 2020 to enhance connectivity and communication across The Bijou School and Colorado Springs School District 11.

With Schoology, students can digitally submit homework assignments, review assignment grades, participate in interactive discussions, receive announcements and feedback, take tests, and more. As a parent, you will be able to view your child's activity within the Schoology platform.

Your child will be given login credentials for access through a D11 computer for high school students at RJWAC on August 18, 2020. If you missed this date, please call Kelley Call, Bijou Administrative Assistant, at 719-328-2065 to make arrangements for a computer.

Parents can gain access through [The Bijou School Website](#) to view their child's work on Schoology by following the procedure on the attached page: Parents – How to sign up for Schoology. Parent Connect is still being used for class grades. If you don't have a parent log-in for Parent Connect, please call Kelley Call, Bijou Administrative Assistant, at 719-328-2065. We value your participation in your child's education, and we encourage you to read Schoology's Privacy Policy & Terms of Use at <https://www.schoology.com/privacy>. Student progress and activity will be monitored by faculty to ensure a safe, secure, and controlled environment.

Sincerely,

Ms. MC Ruben-Clapper
Principal, The Bijou School

Special Thanks to Ms. Cindy Nath, English Teacher, for her assistance in writing this letter.
