

North Middle School
Morning Homework Club

Dear Parent/Guardian:

At North Middle School, we want all our students to be successful; therefore, we have this wonderful opportunity for our students to come to school early to work on school related assignments as well as an assortment of extra activities. We have two teachers every day to help your student be successful in middle school. We provide a quick snack and computers are available for their schoolwork to be completed properly.

Your student can come as many or as few days as you both decide; however, we recommend that it is consistent every week. Students can check their grades daily to help them see what they have to do to catch up and/or get a better grade, and in which order.

We will be available from 7:30-8:15 to support students in their work. Students will need to ring the doorbell in order to gain access to the school prior to the building officially opening. Below is an outline of what the weekday mornings will look like.

Monday – Binders, organization, and study skills

Tuesday – Homework, Achieve 3000, Reading, VMath Live, Prodigy, etc.

Wednesday – International Book Club and reading

Thursday – Homework, Achieve 3000, Reading, VMath Live, Prodigy, etc.

Friday – Games, if all work is complete and grades are good (educational, puzzle, steam)

Please Note:

If your student will not be coming on a particular scheduled day, PLEASE email us to let us know in advance. We can not be responsible for students who chose to not come inside to work. Students will need to come in, sign in, and begin working. While here they will need to maintain school appropriate behaviors.

If you have any questions, please feel free to contact either one of us via e-mail

Thank you for your continued support and help in achieving your student's success.
