

My name is Lori Ossolinski and I love teaching first grade at Rudy. I graduated from the University of Texas-Austin with a degree in Elementary Education. I also earned a Master's degree in Educational Leadership from Troy University.

Every day is different in my classroom, and it is always exciting to see growth in my students! I love leading, challenging and supporting children so they can reach their highest potential.

As the spouse of an Air Force officer, I have taught elementary school in other states to include Texas, Hawaii, and Rhode Island. My husband and I found Colorado's natural beauty inspirational and the people of Colorado Springs so welcoming, we decided to raise our two daughters here. District-11 has so much to offer! At Jenkins Middle School and Doherty High School, we saw our children excel in academics and athletics. They have recently graduated from CSU and the Air Force Academy.

When I am not at school, I enjoy spending time with my family, in addition to traveling, reading, and cuddling with my cocker spaniels named Zoey and Teddy.
