

Attention AP Students and Families - Important Update Concerning Exams

I am happy to share that we have been granted permission to maintain our original plan for AP exams. This means that all in-person AP exams scheduled next week (May 3<sup>rd</sup> - 7<sup>th</sup>) remain on the original day and time. Please disregard the updated exam schedule in Mr. Gardner's email yesterday. There is one exception which is the **AP German exam-date and time TBD**. Please see the AP exam schedule below for the exam dates and times.

If you registered for the digital AP exams earlier this semester, nothing has changed.
