

Lunch for Rudy Students

Food & Nutrition Services, to meet the needs of families, will provide a Monday – Friday lunch time **drive up “Grab N Go”** (usually in the Kiss & Drop area at the front of the building) meal service option for students **who are not in attendance** at school. This will begin the week of **August 31st**. Lunch will be served from **11:45-12:30**.

The curbside “Grab N Go” service is a sack meal that will include student favorites. Entrées will be **sent cold for food safety**; however, cooking instructions will be provided when appropriate. Breakfast sack meals may be picked up at the same time as lunch. Parents and Guardians are permitted to pick up meals for their students, as the USDA requirement for students to obtain the meal has been waived.

There are important regulations and procedures that must be followed to provide this service:

- Meal service is for District 11 K-12th grade students only
- Student name is required to obtain a meal
- All student meals may be picked up at one school location even if different D11 schools involved
- Meal price is based on student status of Free, Reduced, and Full Pay
- K-12th grade Reduced status students receive free breakfast and lunch
- Place money on student’s account via MySchoolBucks – www.d11.org No cash at Grab N Go site
- Questions – call FNS Office at 520-2924

*If your child is part of the group of students who will be attending in-person on Tuesday and Thursday mornings (these students have already been contacted), then those children will have the option of eating breakfast and/or lunch those days. The same rules apply as above...students that do not qualify for free/reduced lunch will need to pay for their lunch. This will begin the week of **August 31st**.
