

Parents,

I want to make sure I clarify something in our specials schedule. When your child has “Music/Theater” for the week, it is written this way because the Music and Theater teacher each work part time at Rudy (2.5 days each). Please note the days that each teaches so that your child can go to the correct special on those days:

Monday – Combined time with Music and Theater. This might be an adjustment of time so that both classrooms at that grade level will meet at the same time, as these specials teachers will only be at Rudy for a half day.

Tuesday – Music

Wednesday – Music

Thursday – Theater

Friday – Theater

This is more complicated than the weeks that students have Art or PE, I know, and I thank you so much for patience and understanding!
