RE: Fundraising Privileges with District 11 Schools

This memorandum serves as permission, on behalf of the Superintendent, for you to **contact** District 11 schools during the **2022-2023 school year**.

Guidelines for contacting District 11 schools and administrators are outlined below:

1. Please **call first** and make an appointment with the school administrator with whom you wish to discuss your product or request.
2. This privilege does not extend to any vendor contact with District 11 students.
3. **The school administrator or the administrator's designee ALWAYS** has final authority to approve or deny any appointment or access to the school for any purpose.
4. When departments and schools sell items (like a store) to students, teachers, or the general public, appropriate county and city sales taxes must be collected, reported and remitted. The current combined sales tax rate to be collected is 4.35%. It is the responsibility of the school principal to determine with the fundraiser company who is collecting and remitting sales tax.

All fundraising organization representatives who intend to visit schools must comply with all conditions of Board Policy KI, Visitors to the Schools and Administrative Regulation KI-R. Please review these documents, which are available on the District 11 website at: www.d11.org/boe/policies

If you need further information or clarification, please feel free to contact our office at 520-2203.

A handwritten signature in blue ink, appearing to read "LouAnn Dekleva", written over a horizontal line.
