RE: Visiting Privileges in District 11 Schools

This letter serves as approval, on behalf of the Superintendent, for you to **contact** District 11 schools during the **2021-2022 school year**.

Guidelines for contacting District 11 schools and administrators are outlined below:

1. Please **call first** and make an appointment with the school administrator with whom you wish to discuss your proposal or request.
2. **The school administrator or the administrator's designee ALWAYS** has final authority to approve or deny any appointment or access to the school for any purpose.
3. This privilege does not extend to any vendor contact with District 11 students.
4. **Soccer Buddies is offering an opportunity for an after-school program. If a school is interested in this opportunity, Soccer Buddies will go through the process of renting space and collecting participants fees directly from parents/guardians.**

All visitors must comply with all conditions of Board Policy KI, Visitors to the Schools and Administrative Regulation KI-R. Please review these documents, which are available on the District 11 website at: www.d11.org/boe/policies

If you need further information or clarification, please feel free to contact our office at 520-2203.

Signed
