

GENERAL WILLIAM MITCHELL HIGH SCHOOL

Changing the Future through
Perseverance, Excellence and Leadership.

(719) 328-6600 • Fax: (719) 328-6601 • 1205 Potter Drive, Colorado Springs, CO 80909-6999

Mitchell Families,

Your student in grades 9, 10, and 11 will pre-register for the PSAT or SAT on the following dates through their English classes:

Grade 9: 1 April 2020

Grade 10: 31 March 2020

Grade 11: 2 April 2020

During this time, students will fill out demographic information on their answer sheets that includes their date of birth, address, and the like, in order to identify their scores with the correct person.

Students in grades 10 and 11 will be eligible to fill out a questionnaire that will permit them to share their scores with individually chosen institutions of higher education as well as make them eligible for scholarships based on growth and achievement on College Board (PSAT/SAT) assessments.

Students need to provide their own consent to complete this assessment. However, we want parents to be aware of this session and what questions they will answer. Please refer to the attached consent form, in particular, pages three and four of the document, in order to see what questions students will answer. As a family, please review this information to determine if you would like your student to fill out this form. Students may also opt to answer particular questions and leave others blank as they see fit.

Please contact Amy Sanchez-Martinez, School Assessment Coordinator, with any further inquiry at (719) 328-6605.
