

# **Leadership Day**

**January 18, 2019**

Dear Martinez Families,

The students and staff of Martinez Elementary invite you to attend our annual Leadership Day on January 18, 2019 from 8:15 – 10:15 a.m.

To celebrate our wonderful student leaders and Martinez Elementary's 30<sup>th</sup> birthday, we will be "Flying Through the Decades."

Students will lead guests with an opening presentation in our gym before we travel through the building to see our class work celebrating the last 30 years.

The day will conclude with a birthday celebration in the gymnasium from 4:00 – 6:00 p.m.

## **IMPORTANT**

Your child will be bringing home an invitation this coming week and we would like that invitation to go to a person or persons outside of the family home. The invitation could go to grandparents or other relatives, a coach, an instructor, a church member, a Boy/Girl Scout leader, etc. We want our community to see the leaders that are being created at Martinez. Please help your child deliver their invitation to another important person in their life.
