

Coronado High School – Spring, 2020 CU Succeed/Gold Courses

UC Denver – <https://clas.ucdenver.edu/cusucceed/>

Bronson-Sheehan - Intermediate German I	GRMN 2110	G01	41697	3
Bronson-Sheehan - Intermediate German II	GRMN 2150	G01	41698	3
Muth - General Biology II	BIOL 2061	G07	39708	3
Muth - General Biology Lab II	BIOL 2081	G07	39723	1
Nash - Core Chemistry: Everyday Chem	CHEM 1474	G05	41187	4
Nash - General Chemistry II	CHEM 2061	G07	41206	3
Nash - Gen. Chemistry Lab I	CHEM 2068	G06	41217	2
Philipsen - Core Composition II	ENGL 2030	G14	41627	3
Stuckey - Introduction to Fiction	ENGL 1200	G08	41570	3
Stuckey - Intro. to Creative Writing	ENGL 2156	G02	41640	3

UCCS – www.uccs.edu/apply - Go to UCCS Academic Outreach

Barnett – Intro to Basic Stats	MATH 2810		37028	3
Del Valle – PreCalc – Elem. Functions/Calc.	MATH 1050		37177	4
Del Valle – Calc I	MATH 1350		37055	4
Del Valle – Calc III	MATH 2350		37227	4
Hodur – Univ. Choir	MUSIC 1350		37187	1
Holmes – Intermed. French I	FRENCH 2110		37031	4
Holmes – Intermed. French II	FRENCH 2120		37032	3
Kane – Recent Amer. History 1918>	HIST 1540		37078	3
McLean – Principles of Engin.	ENGR 1502		37126	3
McLean – Intro to Design	ENGR 1503		37122	2
McLean – Aerospace Engin.	ENGR 1504		37143	3

Taylor – Intro to Economics	ECON 1010	37075	3
Urban – Spanish 1	SPAN 2110	37172	5
Urban – Spanish II	SPAN 2120	37091	3
Ury – General Psychology	PSY 1000	37081	3
Wade –Gen.Physics (alg. based)	PES 1010	39300	4
Wade – Gen. Physics Lab (Alg. based)	PES 1150	39309	1
Wade – Gen. Physics (Calc. based)	PES 1110	37336	4
Wade – Pre-Calc. – Elem. Functions/Calc.	MATH 1350	37029	4
Yeh – Comp. Sci. Principles	ENGR 1509	39340	3
Austin Eurich – Public Speaking	COMM 2100 (CU Platinum)	(TBD)	3*

-School District 11 funding the Spring, 2020 dual enrollment courses. The school district is reviewing the practice of paying for both AP exams and CU Gold/CU Succeed tuition for the same course –funding changes may take place Fall, 2020. .

-A significant number of courses offered by the CU Succeed Program are approved Guaranteed Transfer (GT) Pathways courses. These courses will transfer and apply to requirements for Liberal Arts and Sciences bachelor's degree programs at public Colorado institutions in accordance with the Statewide Transfer and GT Pathways Policy.

This should not be interpreted to mean that CU Succeed courses that are not designated (GT) Pathways courses will not transfer to other in state, or out of state institutions. These courses often are a part of the core curriculum at other institutions and may satisfy a requirement, or transfer as an elective. Most degree program require 30 elective credits for graduation.

For more information about the GT Pathways list and to see a list of exceptions, please visit the [GT Pathways website of the Colorado Department of Higher Education](#).

*Course held after school and taught by UCCS instructor
