

Student/Parent Expectations

Attendance: If your child will not be logging in and attending their Webex meeting you must call in an absence for your student. If they are not called in, then your student will receive an unexcused absence.

Tech Help: If your student needs help with tech issues please visit the Tech Tips section on the D11 webpage first (www.d11.org/TechTips). Most questions can be answered on this page. If you can't find what you are looking for then call Mrs. Copeland. See the number below.

Important Contact information:

- Attendance-328-3200
- Tech help-328-3224

Communication: During the Asynchronous work time your child's teacher will be available to answer phone calls and emails. This will be your teachers "office hours".

Virtual Classroom Expectations:

We wanted to pass along the Virtual Classroom Expectations to all our families so we can all be on the same page for Online Learning. These rules apply to BOTH students and parents.

- Log into your virtual class using your D11 account. You will go to the Queen Palmer Webpage (<https://www.d11.org/Domain/16>) and click on the Schoology link. Use your REAL name.
- To the best your situation allows, be a distraction free, quiet environment.
- Appropriate classroom behavior and language is expected.
- Please keep your audio on mute until you want to speak. This will help to limit background noise.
- Make sure your video is on so we can see your happy face.
- Wear school appropriate clothing.
- Please limit the number of outside conversations around your student.
- Parents if you choose to sit with your student during their WebEx, please let them be the one to respond. We ask that you do not interject and simply be there for support.
- Remember that whatever you do and say, EVERYONE on the WebEx meeting can see and hear you.

Thank you for adhering to these expectations. If we all work together, we can get through this smoothly.

eLearning Schedules

Time	Kindergarten Denning and Flores
9:00	Attendance/Good things
