UCCS TED 3000 (3)

PPCC EDU 221 (3)

Industry Certifications:

American Heart Association First Aid/
CPR/AED Certification

Work-based Experience:

Classroom Internship (50hr)

Students will be involved in a fast paced, innovative, hands-on curriculum where they gain knowledge about teaching and learning. Students will develop and master effective skills that will be helpful in college and beyond, such as presentation, public speaking, writing, communication and reasoning skills. This is a year-long honor's elective where each student will make a difference with children as they "try out" teaching in a "mini-student teaching" experience.
