

Peeps O Rama

Learning Target:

I can re-create a favorite event or scene using Peeps marshmallow candy.

Materials:

- Peeps bunnies, chicks, ducks, etc.
- Paper
- Pencil
- A variety of craft supplies (ex. shoe box, glue, markers, fabric, etc.)

Activity:

In this activity you will re-create your favorite event or scene. Ideas include:

- A historical event
 - A scene from a movie or TV show
 - A scene from a book
 - Your favorite wonder of the world
 - What a location might look like in the future
 - Really anything you can imagine
1. Begin by brainstorming possible ideas for your diorama. The following link can give you some ideas: [Peep Diorama Ideas](#)
 2. Once you choose your favorite idea, make some sketches of what you want it to look like. The more detail and time spent on sketches, the easier construction will be and the less wasted materials you will have as you build.
 3. Build your diorama. If you don't know how to build a diorama, here is a link to help: [Make a Diorama](#).
 - All characters in the scene must be made from Peeps. In the words of the contest writers for the Washington Post Peeps contest, "Melt, mold and manipulate those fluffy chicks and bunnies to bring your creative vision to life".

Write a narrative story that goes with your scene.

What Is Due:

Take a picture of your diorama and story to submit it on Schoology or by email.
