

# *Khan Academy Music Basics*

## *Notes and Rhythm Lesson #1*

### **Learning Goals:**

- Identify five notes and their value
- Define the meaning of a 4/4 time signature
- Describe the use of measures or bars in music

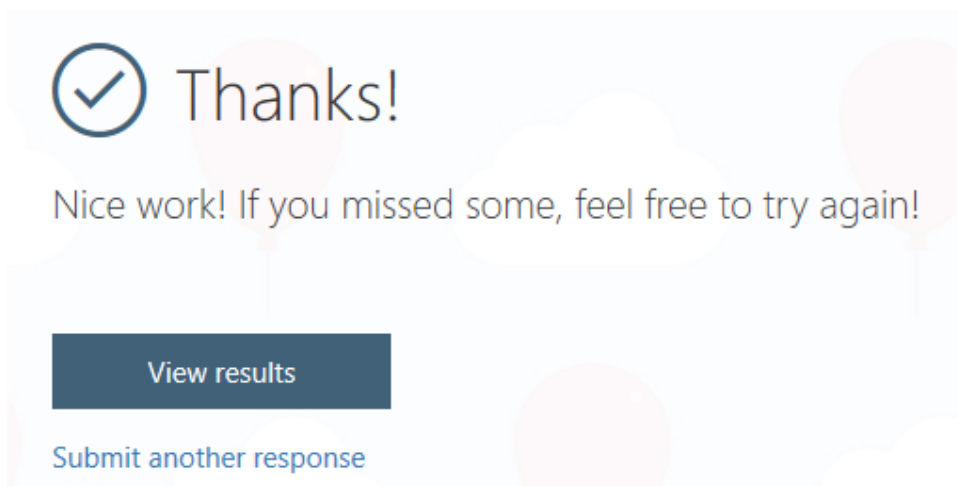

### **Instructions and Tips:**

- Watch the Khan Academy video at [this link](#).
- Pause the video or re-watch any parts of the video that are confusing or unclear. Email Mr. Hanson if you get stuck.
  - Pay close attention to how many beats each note is worth in 4/4 time.

### **Take the quiz:**

When you are ready, open the quiz on this video at [this link](#). Make sure to answer every question and do your best!

After the quiz, click the “View results” button to see your answers. Correct answers will be indicated with a green checkmark. ✓

Feel free to take the quiz as many times as you'd like.

**Extra resources:**

If you liked the piece of music included in the video, watch a symphony orchestra play the whole movement performed by an orchestra of young students at [this link](#). (Hint: it's a great piece for naptime or bedtime!)
