"Bijou" is the French word for Jewel or Gem.  
"Dragons" are Powerful Guardians.  
Our Bijou Students are precious Gems 
with Jewels of Potential.  
The Bijou Dragon protects them as 
they Discover their Potential.

**Bijou Dragons are FIRED UP!**

- They Focus on their Academic Achievement.  
- They Imagine their Academic Growth.  
- They show Respect through their Student Engagement.  
- They Empower themselves through PostSecondary Workforce Readiness.  
- They are Determined to find their Unique Potential!
