Colorado Springs is home to the United State Air Force Academy, the Olympic Training Center, Colorado College, University of Colorado Colorado Springs, and Pikes Peak Community College.

Coronado is a comprehensive high school for grades nine through twelve. Student Government, Sports, and Clubs

Coronado supports its students and student organizations in their academic and community endeavors. A dynamic Student Government encourages school spirit through activities and participation, 23 boys' and girls' seasonal sports teams, and 43 student-directed organizations from Cougars Care to Yearbook provide a wealth of opportunity for our high school community.
