For a change in transportation, please send note, contact teacher or call the office

Office Hours: 7:30am - 3:30pm

Principal's Corner

We hope you enjoyed your Spring Break and are ready to head into the final stretch of the year. We will begin our Colorado Measures of Academic Success (CMAS) Testing for Grades 3-5 starting the week of April 12th and will continue through the end of the month. Please encourage your students to do the best they can and get lots of rest during this time. April 16th is recognized as "Purple Up" day and we will have a "free" no uniform day for wearing purple to show support for our military families. GO COMETS!!!

Message from the District

In D11, we are listening to our community to learn more about what they envision for our schools today and for many years into the future. In 2020 District 11 adopted a new strategic plan focused on equity and inclusion for all students. Now, D11 will align our long-term academic pathways, facility plans, and the District's strategic plan to ensure every student has access to a world-class education. Imagine quality neighborhood schools, distinctive magnet schools, aligned program pathways, and premier career and technical education options, all offered with equitable access to every student, no matter the transportation or logistical obstacles. We are making all of these things a reality as we inspire every mind. Be a part of this incredible journey by visiting www.d11.org/rebuilding and www.d11.org/amp to learn more.

- Need technology help?
- Want your student(s) to check out eBooks from the library?

Visit the Media Center Schoology page!

Ms. Weldon and Mr. Meisner set up a page for all parents, guardians, and students with library and technology re-sources!

When you visit Schoology, go to your student's homepage and find the Media Center course to get started!
