Our Mission:

We dare to empower the whole student to profoundly impact our world.

Our Vision:

We are a dynamic, collaborative community of energized educators, engaged students and supportive partners with a passion for continuous learning.

Principal's Corner

We had a great first day of school and we enjoyed seeing all the smiling faces of our returning students and the many new students that we have at McAuliffe this year. We have had a great start to the school year and it was a pleasure to see so many families at our Back to School Night. We look forward to our partnership with you and our community to continue to provide "Unlimited" possibilities for our students.

Here are a few reminders as we continue into the school year:

- Your patience is greatly appreciated when dropping off and picking up your students. The safety of your children is very important to us and we all need to remember to drive safely and be vigilant in our parking lot and streets surrounding our school.
- Please no parking in front of the school building during our drop off and pick up times. If you need to park, please do so in the parking lot across from the school.
- If you are bringing pets onto school property, please remember that they must be on a leash controlled by an adult. Other than drop off and pick up times, pets are not allowed on school property during the school day or at school events. Pet owners are legally responsible for any damage or injury their pet may cause. Thank you for your understanding and compliance.
- If you are interested in becoming a Volunteer, please stop into the office and get your paperwork started.

School Hours: 8:00am - 2:30pm

- 7:55 into building (No Supervision before 7:45)
- After 8:00 am, sign student in tardy in the office
- 2:30 dismissal (if you arrive after 2:45, please check in at office)
- For a change in transportation, please send note, contact teacher or call office

New Parking Lot Procedures

Pick-Up/Drop-Off Lane Procedure

As an increased safety measure of the students at McAuliffe Elementary, and an effort to reduce the traffic in the pick-up area, the outlined procedures should be followed:

- Each parent will be provided with a vehicle hanger. Please keep them in a safe place for daily use. Replacement vehicle hangers may be obtained in the main office.
- The student's last name should be printed on the vehicle hanger in large letters with a permanent black marker on the bottom, above the last name should be the student's first name and grade level. (Parents with more than one child should list all students' first names above the last name with their grade levels.)
- The vehicle hanger, with the student's name, should be placed on the rear-view mirror of the vehicle when picking a student up after school.
- When entering the school property, there will be a sign that designates vehicles to the pick-up/drop-off lane or the parking lot. The pick-up/drop-off lane is not a parking area.
- As vehicles approach the student pick-up area, an assigned adult will alert the student by calling his/her name. The student will proceed to the designated boarding area to be dismissed. Please refrain from blowing your horn or getting out of the vehicle to get your child's attention.
- Please pull up as far as you can prior to allowing your child to enter/exit the vehicle, following the directions from the staff on duty.
- Please do not block the crosswalks. Notice the lines on the pavement.
- Parents who are picking students up early must report to the main office to sign the student out. Parents must be parked in the parking lot or on Hathaway Drive. Please do not park or block the curb/fire lane or pick-up/drop-off lanes.
- Please be aware of the signs when exiting the school property. All vehicles MUST make a "right turn" only between the times of 7:30-8:00 am and 2:30-3:00 pm each day. (There will be no left turns.)
- No vehicles should be left unattended. If you need to get out of your vehicle, please park in the available parking lot or on Hathaway Drive. (No parking along the curb/fire lane or in the pick-up/drop off lanes.)
- Pre-K will have designated parking spots available. Parents of Pre-K students will have a colored parking vehicle hanger to identify and ensure a parking spot.
- A map is provided to guide parents in the new procedure.

Please remember this procedure is to **ensure the safety of all students** at McAuliffe Elementary School. Thank you.
