## Principal's Corner

We are looking forward to celebrating "Read Across America Week" from March 2nd – March 6th with a lot of fun activities planned for our students to include Dr. Seuss spirit days, door decorating contests for each classroom, favorite book voting, and a book scavenger hunt. Our 3rd Quarter Aligned District Benchmark (ADB) testing will begin the first week in March and end March 16th. We appreciate all the hard work that both our teachers and students dedicate to our District testing. The 3rd Quarter will come to a close on Friday, March 6th and there will be no school for students on Monday, March 9th or Tuesday, March 10th due to Teacher Work Days. March will go by quickly as we have Spring Break at the end of the month from March 23rd – March 27th. Enjoy your time off and GO COMETS!

## Spring Book Fair Information

Interested in volunteering at the Book Fair? Sign up here:

### Book Fair eWallet

A safe, convenient payment option for students. After the Fair, any unused funds are released back to the cardholder.

#### > What?

Book Fair eWallet is a secure, cash-free, **digital payment** option.

#### > Who?

**Parents** create a free account for their **student** and set a spending limit.

#### > Where?

Students use their eWallets to shop the **in-school Book Fair**.

#### > When?

Parents can **set up eWallets as early as two weeks prior** to and through the last day of your in-school Fair. Students can **shop with their eWallets any day of the Fair**.

#### > Why?

Because **parents don't always have cash on hand** to give their kids. (And let's be honest ... kids sometimes misplace their money.) And it's a great way for extended family and friends to participate in the Fair, too.

#### > How?

Since eWallet is already enabled for your Book Fair, all you have to do is:

1. **Learn about it.** Get details from your Toolkit **At a Glance** page.
2. **Spread the word.** Share your homepage link to let everyone know Book Fair eWallet is available at your school. Send home informational flyers and share the news on social media. Find resources in the Fair Files section of your Toolkit. Search keyword: **EWALLET**

Log in to your Toolkit to learn more about this convenient payment option for your school!

# Message from the District

The 2020 census count will be how the Federal government determines the amount of money that will be given to our schools for the next ten years. Most of the programs funded from the count are for serving our students living in low-income households and students with disabilities. Historically the ten-year census has undercounted populations in large urban areas like ours, and we would like to work towards making sure our community is properly funded with an accurate count. Everyone counts.
