Principal's Corner

We are off to a great start to the school year and it was a pleasure to see so many families at our Back-to-School Night. We are excited about our partnerships this year: YMCA Daycare begins both their before and after care program starting on Tuesday, September 3rd; Thriveworks counseling is available for those who may be interested in counseling support at school; and Pikes Peak Library District is providing all D11 students with an electronic library card. In addition, we have many opportunities for you to be involved at our school: PTA, Watch D.O.G.S, Volunteering, etc. Please see our main office for more details on any of our partnership or family involvement programs. Go Comets!!!
