Principal's Corner

Happy New Year! We hope you enjoyed your Winter Break and are ready to start the 3rd Quarter. We look forward to continuing working with you and your students during the second half of the school year. We know we will continue in a remote learning mode until January 15th and will return to in-person learning on January 19th. We can't wait to see our students back in the building! A friendly reminder that Mondays are Asynchronous Learning Days and students will work remotely on these days. We are looking for a Lunchroom Aide and Kitchen Assistant. If interested in either of these positions, please contact our main office at (719) 228-0900. GO COMETS!!!

Attendance Update with Mr. Wiltz!

Grades and Attendance: Communication is Key

This year has been unique to say the least and the partnerships between home and school have been spotlighted in multiple ways. As we enter the second half of the year I encourage all of us to reflect on the practices that led to success at home for you and your student(s), and opportunities to continue to improve. When we look at the connected areas of attendance and grades, one key to success is the two-way communication between home and school. If you are struggling with technology, student motivation, or schedule conflicts that are impacting attendance and/or grades, please reach out to your child's teacher immediately. Our hope is to provide support as quickly and effectively as possible before we get to the point of failing grades or truancy.

Our desire is to see every student at McAuliffe succeed and more than ever before that means stepping up the level of communication with you, our families. We are looking forward to an engaging and productive second half of the year!

Please continue to call the attendance phone line at **719-228-0936** anytime your student will be absent.
