Good things! Staff appreciation week went well, with meals provided by Hope Church and Trinity Church. Our CO&E committee secured the Fireside Mountain Coffee Truck, and small treats were provided on other days.

4th grade GMP is having Night of the Notables tonight at 6pm

Band Concert is Thursday night!

Title 1 update: Fremont is 23rd in Free lunch ranking, which will be used to determine Title 1 status for next year. Title status will be determined as guidance becomes available from CDE and as information is shared with Executive Cabinet. We expect to be notified in January as to Title status for the 22-23 school year.

Testing update: 3 - 5 grade students completed the winter benchmark testing and results will be shared in January.

Attendance data for 1st semester were shared and reviewed. We continue to provide monthly popcorn parties for grade levels with the best attendance. 4th

grade earned the party for the month of November and we will pull December's data to give a party in January.

Behavior data for 1st semester was shared and discussed. Fremont staff continue to use Capturing Kids Hearts (CKH) strategies to redirect behavior as needed within the classroom. Office referrals are mainly for repeated disruptive behavior or physical aggression. We continue to have instances of graffiti in restrooms and have taken steps to mitigate.

Fremont Student Leadership Team is up and running, and meets with the principal every 2 weeks during lunch. Students are working on creating behavior expectation videos, which will be sent to staff to show in the 2nd semester.

Staffing update:

- Administrative Assistant - Ms. Busick has taken a position at Central Admin in the GT department and her position is posted.
- SPED Educational Assistant, full time - this position is still posted
- District Support Technician - Our current DST has resigned and we hope to fill this position soon.
