The School Accountability Committee (SAC) is a decision-making advisory group mandated by the State of Colorado to review school goals, drive school improvements, monitor school budgets and promote Fremont community engagement.

Welcome

Mr. Tunney, Ms. Hillwig, Ms. Wensch, Ms. Stone, Ms. Drotar, Mrs. Squires in attendance

Good things: We are fully staffed for the 2021-22 school year with the exception of orchestra, and an offer has been made for that position. Staff enjoyed breakfast together on the first day back before our back to school kick off meeting!

The One Plan - this year, all school plans are placed in the One Plan, which is housed in Hoonuit. This plan was developed by our core Empower Team and was shared at the back to school meeting. Our 3 Major Improvement Strategies for this school year:

MIS #1 Fremont will offer math coaching support throughout the year, using Andrew Schaffer. We will have Eureka Professional development at the beginning of the year and throughout the year as needed. Fremont will continue K-5 alignment with Wonders and implementation of LETRS through classroom coaching, teacher observations and TLC support. We will use 95% Group and SIPPS as an integral part of Fremont's intervention block.

MIS #2 Fremont will continue the implementation of our school wide system to recognize and utilize the instructional strengths of individuals.

MIS #3 Fremont will continue to place an emphasis on building relationships with students by using consistent CKH practices to increase student's feelings of safety.

Driving questions from our 5 Essentials survey taken in Spring of 2021, below, helped identify the Priority Performance Challenges that lead to the our MIS.
