

# SCHOOL SUPPLIES

For the second year in a row, Colorado Springs School District 11 will offer free school supplies for elementary and middle school students! Electives classes may require additional supplies at the start of the school year. District-provided supplies will be distributed the first week of school.

**NOTE:** The D11 provided supplies are a starter pack and not intended to last the entire school year. Parents and Guardians may need to re-supply items such as pens, pencils, and paper throughout the school year. Prices are often lower at the beginning of the school year, so please plan accordingly. Please contact Jodi Shields, community liaison if it is a hardship to purchase any of the supplies below. [jodi.shields@d11.org](mailto:jodi.shields@d11.org)

Parents are asked to provide the items listed in the third column.
