

Parent Information Form for Student Placement

We welcome your input in guiding our decision of teacher assignment for your child.

This form will not be treated as a request for a specific teacher's class.

This is in no way a guarantee for class placement, but please know we will take your suggestions into consideration. Information about your child can help us make student placements. At Steele, every staff member works with their grade level teammate to provide innovative and high quality instruction for all students, which provides an equal opportunity for a great educational experience.

In addition to parent information, other factors are considered in building classes for the following year, including:

- Relationships between students
- Balance of student strengths and needs within a class

Please fill out the following information.

Student's Name _____

Grade Level in August _____

Today's Date _____

Tell us about your child. Include their strengths, interests, challenges and goals.

Return this form to the Steele office no later than 3 pm, May 18, 2020.

Parent Signature _____
