Dear Parent/Guardian:

At North Middle School, we want all our students to be successful; therefore, we have this wonderful opportunity for our students to stay at school from 4 to 5 PM Tuesdays and Thursdays to work on school related assignments. We have two teachers every day to help your student be successful in middle school. We provide a quick snack and computers are available for their schoolwork to be completed properly. Students will be notified my morning announcements if, for any reason, we need to cancel.

In this program we have had many students learn organizational skills and stay on task or ahead of their learning and receive passing grades. Your student can stay as many or as few days as you both decide; however, we recommend that it is consistent every week. Students can check their grades daily to help them see what they have to do to catch up and/or get a better grade, and in which order. If your student will not be staying on a particular scheduled day, PLEASE email us to let us know in advance.

As stated before, we are here until 5 PM. At that time, your student MUST be picked up by the annex exit door. If students are not picked up by 5PM they won't be able to attend anymore. If your student walks home please write, sign and date a note stating that he/she is allowed to walk home at 5pm when we finish.

Please Note: For safety reasons, students need to go to their locker and report directly to room 103 by 4PM. They should not go outside or around the building. We cannot be responsible for students that choose to wander or go outside. It is the student's responsibility to come in, sign in and begin working. If they do not have homework, they will be instructed to work on Achieve 3000, read a book, or call to be picked up. Students who choose to regularly not work on their homework or missing work will not be able to attend.

If you have any questions, please feel free to contact either one of us via e-mail
