

Go to [schoology.com](https://www.schoology.com).

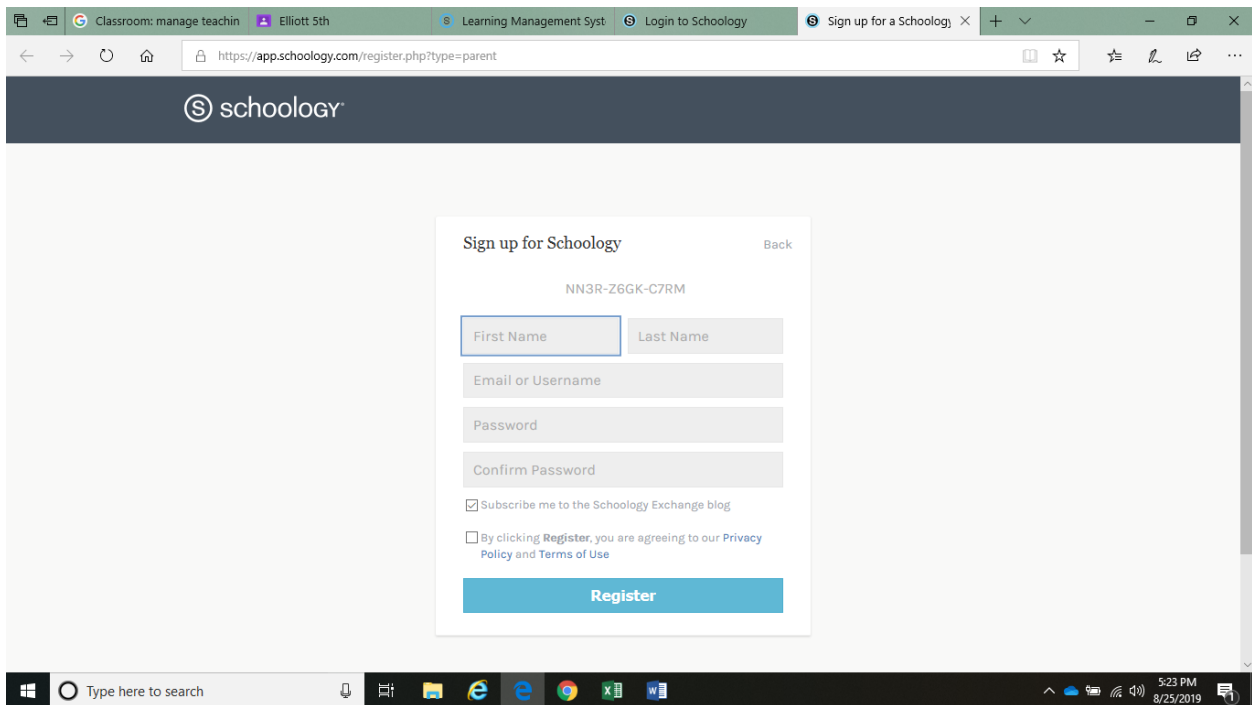

In the upper right corner, select Sign Up, and then choose Parent.

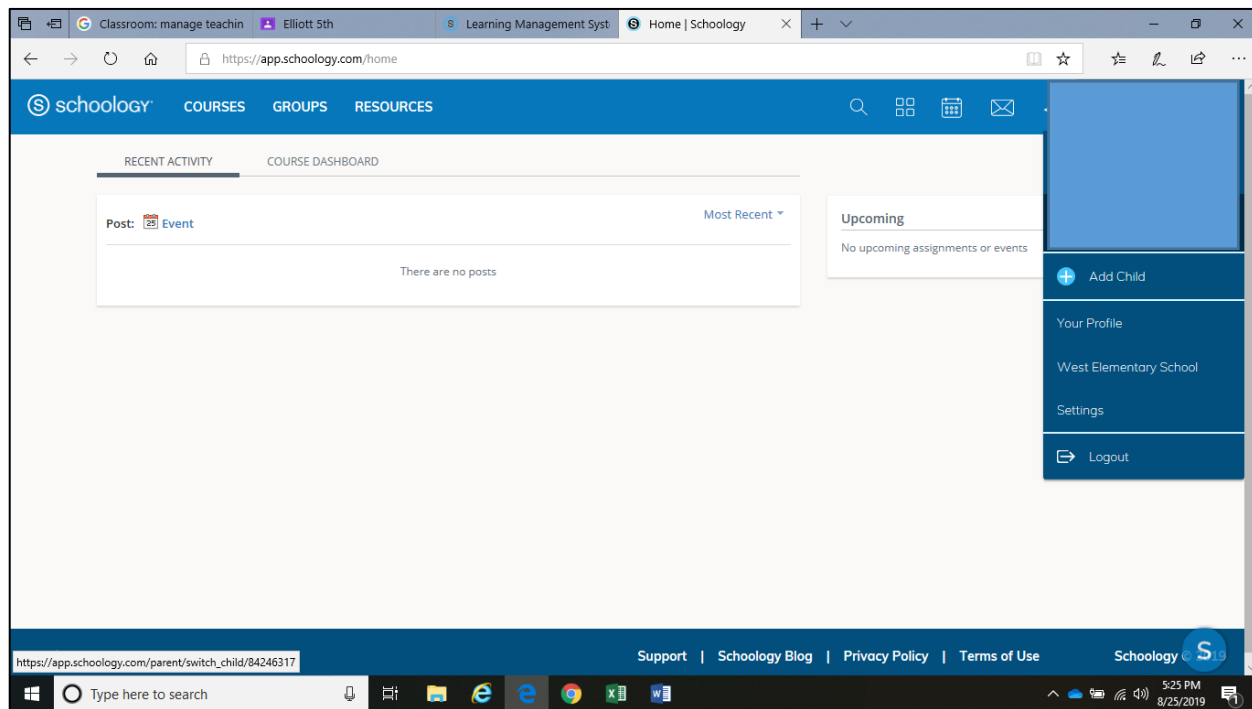

Enter your child's access code (ask your child's teacher).

**Enter your name and email address, and agree to terms of service, then register.**

**Once you have created your account, you can view your student's courses by selecting their name in the upper right hand corner.**

**You will be able to see all of the courses that your student is a member of. There is a Schoology app available once you have signed up.**
