Per the Concurrent Enrollment Agreement, the District shall pay for an approved Student, the prevailing community college on-campus tuition rate with COF applied directly to the institution of higher learning. This uniform rate applies for online and on-campus courses whether taken at a 2 year or 4 year college (including courses taken through Extended Studies) and does not include fees, books, supplies, or any tuition costs in excess of the rate mentioned above. The Student shall pay to the institution of higher learning any tuition in excess of the community college on-campus tuition rate with COF applied, plus any additional costs.

Your signature below indicates that you agree to the following:

✓ The Student and the Student’s Parent/Guardian have read and agree to the terms and conditions of participation specified in the Concurrent Enrollment Agreement.
✓ The Student must register for the College Opportunity Fund (COF) at https://cof.college-assist.org/ to establish eligibility for the state tuition stipend that reduces a Student’s tuition costs before enrolling in any Concurrent Enrollment course. (Not applicable for UCCS Extended Studies students.)
✓ The Student must authorize use of his/her COF stipend for all eligible credits for the semester stated above. (Courses taken through UCCS School of Extended Studies are ineligible for the COF reduction.)
✓ If the Student receives a grade of F or withdraws from a course after the college drop deadline, the Student and the Student’s Parent/Guardian will reimburse the District for the tuition initially paid on the Student’s behalf.
✓ Reimbursement will be made to D11 within 30 days of the end of the college semester for the amount of tuition paid for the above-named student.
✓ Outstanding tuition that is not repaid to the D11 per the Promise to Repay Contract will be added to the Student’s fees owed account at his/her high school.
✓ D11 may pursue tuition collection for amounts that remain unreimbursed.
