

# Virtual Classroom

## Start-up guide for students

1

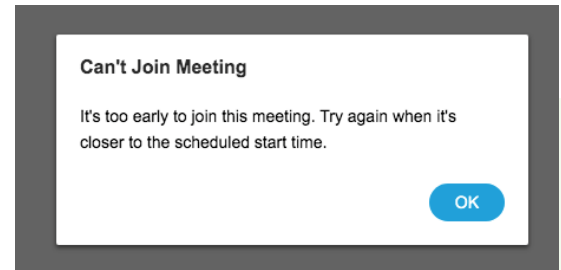

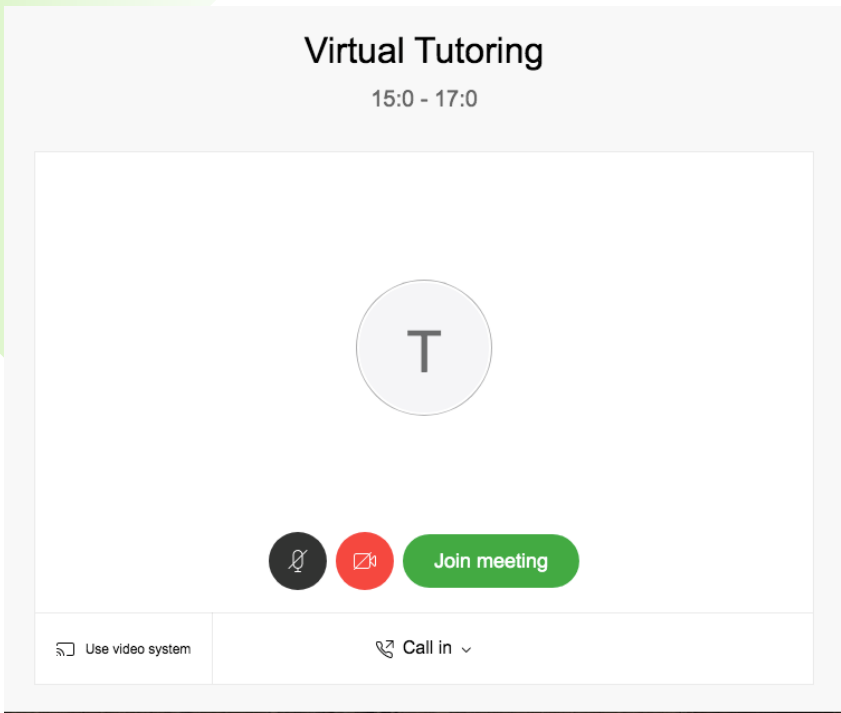

2

**1 - Select the link to the virtual meeting. The first time, you will click to install the downloaded file. You will join this meeting within the web browser.**

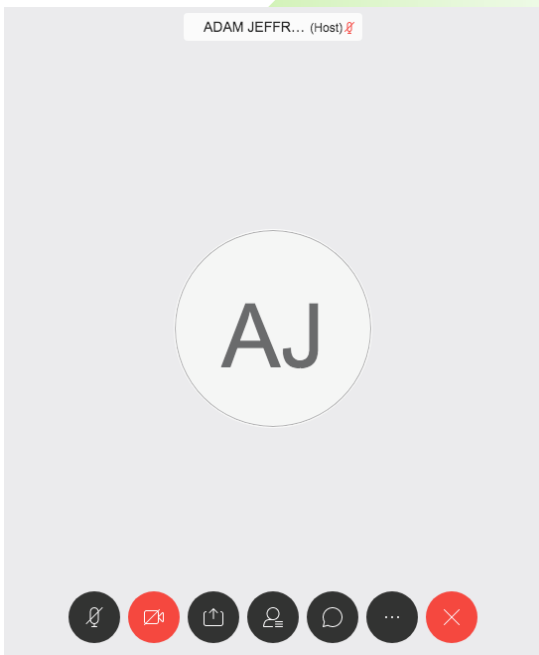

**2 - Enter your name and email address and select Next. Do NOT click Sign in, because you do not have an account to host meetings**

# 3

**\*\*\*if you see this message, there are no hosts (teachers) in the meeting\*\*\***

# 4

**3 - Set up your connections before joining. Select the webcam (click where you see video system) or mic (click where you see call in) you wish to use. Some computer may detect these automatically. Click the Join Meeting button.**

**4 - You are now in the meeting. Use the buttons along the bottom to control your mic and video. Other buttons will allow you to share your screen, type messages to others and much more depending on the settings.**
