

## COVID-19 Viral testing and Antibody testing

COVID-19 viral and antibody testing are covered for all BEST Health Plan School District 11 members at 100% (no out-of-pocket cost for testing). Normal Health Plan Benefits apply for any/all treatment for a COVID-19 related illness.

Testing site locations include physician offices, hospitals and drive-thru locations. Please see the links listed below. Please review each link for information and instructions related to the specific testing site. District 11 Health Plan members should present their medical card at the test site location.
