

Jenkins Announcements – Monday, December 6, 2021

Chess club continues each Tuesday in Mr. Eberhardt's room after school from 4:00pm to 4:30pm Room D-129. Will there be a 6th grader that can beat the Indian Opening or solve the problem of the Rooks? Find out by joining Chess club and making your brain expand like Santa's waistband! (by the way that was a simile) See you there!

Hey everyone! Are you getting ready for Christmas? Do you have someone who is hard to buy for that you would like to get a gift for? If so, NJHS has a great idea! We are selling gift cards to Texas Road House. The link and the information are on the Jenkins website and our school Facebook page. You can also see Mrs. Kuster or Ms. Tinucci for details. The last day to place orders is December 8th at 4:00 PM.

Jenkins is participating in a Winter Coat Drive for the charity group "Little Angels in Need". They are looking to serve the community by gathering new or gently used winter gear including coats, hats, gloves, scarves, etc., and distributing the items to families in need this upcoming cold season. There is a box in the front office where you can put all donated items. Let's show them some Jenkins Jags generosity!

Student council will meet tomorrow morning at 7:30 in Ms. Boone's room.

Tomorrow is Caregiver Awareness Tuesday. Wear Tie Dye to show your support.

Teachers: Please ask your students if they have their Federal Impact Aid Survey Form. IF they have a completed form, please send them with their form to the office at this time.
