January 13, 2021

Dear Parents/Guardians,

As we approach the return to in-person learning on January 19, 2021 I ask that you please keep your student home and notify the school if your student presents with symptoms of illness, has come into contact with a person who has tested positive for COVID-19, is awaiting COVID-19 test results or has tested positive for COVID-19.

Symptoms of illness include:

- Loss of taste or smell
- Feeling feverish, having chills
- Temperature of 100.4F or greater
- New or unexplained persistent cough
- Shortness of breath/difficulty breathing
- Sore throat
- Runny nose or congestion
- Muscle or body aches
- Headache
- Nausea or vomiting
- Diarrhea

Again, if your student presents with any of these symptoms, comes into contact with someone who has tested positive for COVID-19, is awaiting COVID-19 test results or has tested positive for COVID-19 please keep them home and notify the school. You will receive further instruction from someone on our COVID team about steps to take for your student to return to school.

I look forward to partnering with you in the care of your student's health and thank you for helping us return to in-person learning in a safe and healthy manner. Please let me know if you have any questions or concerns.

Respectfully,
Kristina Allen, RN
