

22-23 Inclement Weather Plan

Two-hour delay - School will start in-person exactly two hours later than normally scheduled-so at 9:50 for Twain ES. There will be no a.m. preschool and buses will pick up exactly two hours later than normal. **No breakfast** will be served so make sure your child eats at home before they come to school. ***Use your best judgment about traveling to and from school safely. You can always call the front office and let them know that your child is not coming or will be coming later.***

Remote Learning Day - During remote learning days, all D11 students and staff are expected to login on their device and work/learn remotely. We will take attendance like a typical school day. If your child will not be attending - please call the office to let them know. Students who will be called off of school for a remote learning day will be excused under the heading "WEATHER". You must still call the attendance line to call your child off of school. The number is 719-328-7735.

Students will **log onto WebEx to receive instruction starting from 8:00 - 9:00**. The webex room address is <https://cssd11.webex.com/meet/teacher name here>. If you are using a device other than the ipad remember that students need to log in using their D11 email address and password to access WebEx (teachers will provide students and parents with their child's logins and passwords either manually or electronically).

- **Morning meeting hours will be from 8:00 - 9:00.** Teachers will keep their WebEx rooms open and be available to help students and answer questions. If teachers are not immediately available in WebEx, please try to connect again after a few minutes.
- Students should access the folders on Schoology and complete the assignments posted by the teacher to get credit for attending school that day. Here are some options of activities that teacher may assign along with other work throughout the day:
 - Complete seesaw assignments
 - Play reading games on Amplify
 - Read books that have been sent home, accessed through Raz Kids or checked out from the library
 - Complete math lesson on Dreambox

8:00-9:00 Homeroom Webex (Attendance, expectations for the day etc...)
