

Inclement Weather – Remote Learning Plan for Chipeta

District 11 indicates that Inclement Weather Learning Days will replace Snow Days for 22-23. At Chipeta, we are striving for a balance of accessible learning and for snow day fun. Please follow this schedule when an Inclement Weather Learning Day is called.

Attendance is expected for all students during the scheduled blocks of time. Additionally, students are encouraged to play outside and enjoy the snow. We strongly encourage all students to read for at least 30 minutes. When students attend Webex meetings, they are marked present for the day. When students are not present, they are marked absent for “weather”.

Students in K and 1st may need adult assistance to join Webex and engage in learning. Home computers are preferred. Students in 2nd – 5th grades are more independent in accessing learning remotely and will most likely have their school device.

Teachers will communicate with parents via email before learning starts on an Inclement Weather Learning Day to reinforce the learning plan.

| Time | Kindergarten | 1 st Grade | 2 nd Grade | 3 rd Grade | 4 th Grade | 5 th Grade |
|------------|---------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|

- ❖ Students attend the specials class (Music, Art, or PE) they would attend if we were at school that day.
- ❖ Scheduled Webex meetings (K-2) will be available in the homeroom teacher’s Schoology and will be sent to parents via email.
- ❖ Webex Room links (3-5) will be posted in the homeroom teacher’s Schoology.
- ❖ Classroom teachers will use a BINGO type activity sheet for students to make choices about their learning and activities on Inclement Weather days. Students will track their learning independently.
