## Remote Learning Expectations During On-Line Instruction

In the best interest and safety of our students and staff, Mitchell will return to on-line instruction with remote learning our only option through the month of November. While less than ideal, remote learning still provides a very effective way to educate students at an acceptable level. However, to accomplish this, educators and students must commit themselves to adhere to a set of standards and expectations necessary for success.

Through November 30th, Mitchell will no longer designate Blue and Orange Cohorts, but will continue to operate on the same daily and weekly schedule – 7:45 AM to 3:00 PM – Tuesdays through Fridays.

Students will be expected to engage in their classes in a **synchronous** manner on Tuesday through Friday.

This means teachers will be providing students with Webex log-in information that correlates with their class schedule. 1<sup>st</sup> period on Tuesdays and Thursdays, begins at 7:45 AM and ends at 9:20 AM. If a student has a 1<sup>st</sup> period class, **they should be on-line and engaged with that class during both days at that time**, with the same true through-out the day and week for each class on the student's schedule.

**Periods 1 through 4** will take place on **Tuesdays and Thursdays**, beginning at 7:45 AM and concluding at 3:00 PM with a 40 minute break for lunch beginning at 11:05 AM.

**Periods 5 through 8(A)** will take place on **Wednesdays and Fridays**, beginning at 7:45 AM and concluding at 3:00 PM with a 40 minute break for lunch beginning at 11:05 AM.

There will be no instruction on Mondays.

Attendance will be taken through-out the day, with excused absences reported to our Attendance Office as normally required by a parent or guardian.
